## Principal's Message

It gives me immense pleasure to bring out this issue of newsletter of CMP. Kendriya Vidyalaya Jhalawar has adopted the CMP and conducted the activities to make the primary education a joyful process. With the continuous efforts of the dedicated teachers and cooperative parents, the school is developing the basic competencies among the children. With my continuous observation and monitoring, I can tell you that our students will outshine in the future.

I congratulate all the students, staff and editorial board towards their sincere efforts and hope that this will be an ongoing process. I wish the students, teachers and staff of Kendriya Vidyalaya Jhalawar a happy and purposeful academic year.

Sh. G. R. Meena  
Principal

## Head-Master's Message

Primary education lays the foundation of the physical, intellectual and emotional growth of the children. Common Minimum Programme enables us to bring qualitative improvement and development in the teaching learning process. Children participate in activities which inculcates an interest toward learning in them. Learning becomes more interesting and joyful for children with the use of ICT. Audio- Visual modules and pictures facilitate effective learning among children. The newsletter is an assemblage of all the activities conducted under CMP.
